Gmaj2 Gsus4 C add9

Will someone strum away?

"C?" GMaj2 Gsus4 Cadd9  
And I ask my... self...

"C?" CMaj GMaj2  
Who... do I wannabe?

"C?" GMaj2 Gsus4 Cadd9  
Do I wanna throw away the key?

"C?" CMaj GMaj2  
And invent a whole new me?

G  
And I tell myself...

CHORUS:

Gsus4 Gmaj  
No One

Gsus4 Gmaj Gmaj(2) Gsus4 Gmaj  
No One (Don't wanna be)

VERSE 2:

You're moving through the crowd

Trying to find yourself

Feel like a doll left on a shelf

Will someone take you down?

PRECHORUS:

And I ask myself

Who do I wannabe?

Do I wanna throw away the key?

And invent a whole new me?

Gotta tell yourself...

CHORUS:

No One

No One (Don't wanna be)

No One

But Me

BRIDGE:

"C?" GMaj2  
Your life hangs out on the shadows of the wall

"C?" GMaj2  
Turn the light out to erase it all

"C?" GMaj2  
You wonder what's its like to not feel worthless

"C?" GMaj2  
So open all the blinds and tow the curtains

CHORUS:

No One

No One (Don't wanna be)

No One

But Me

We are moving through the crowd...
